### Reviewing Stand Expanded For Armed Forces Parade

"Because we expect this year's Torrance Armed Forces Day Parade on May 18 to be the biggest yet, we plan to expand the official reviewing stand double over what it was last year."

These were the words of an encouraging report made this week by Stanley E. Remelmeier, named by the general celebration chairman, Fred Rathert, as reviewing stand committee chairman.

Remelmeier said that in previous years, the VIP stand accommodated some 50 honored visitors and guests at the parade. This year he expects at least 100 official visitors to witness what has been officially forecast as the largest Armed Forces parade "west of the Rockies."

THIS YEAR will mark the fourth straight year for the Torrance parade. Parade grand marshal will be Norman S. Paul, assistant secretary of defense. Many dignitaries have accepted invitations to share the reviewing stand with him at the parade.

The reviewing stand will be located in front of the Torrance City Hall, 3031 Torrance Blvd.

### Monday Last Day to File '62 Reports

Tomorrow is April 15—deadline for filing Federal Income Tax Returns. It is also the deadline for filing reports of 1962 earnings and estimates of 1963 earnings if you received social security benefits during 1962.

If you received social security payments during 1962—even one payment—you must make an annual report of earnings and an estimate of 1963 earnings if your total earnings were more than \$1,200, or if you were under 72 during any month of 1962.

### Bank Course Slated for Six Weeks

Pacific State Bank will begin a second series of its unique "community college of banking" course next Tuesday. The repeat performance of the course was planned in response to the many persons who attended the first series.

The six-week course will begin sessions every Tuesday at 7 p.m. in the community room at the bank's main office, 883 S. Hawthorne Blvd.

More than 100 Southwest area residents participated in the first series of the course. Lectures will be given by banking executives from throughout the area.

Mayor Albert Isen will serve as official host as chief administrator of the City of Torrance.

THIS YEAR is Remelmeier's third as parade reviewing stand committee chairman, and his fourth year on the parade committee. The city attorney has lived eight years in Torrance and makes his home at 1225 Greenwood Ave.

Born in Seattle, he was graduated from the University of Washington with a bachelor of arts degree in 1940, and from Harvard University Law School in 1948.

Remelmeier served in Europe during World War II as operations officer with the 92nd Antiaircraft Artillery Group in England, on the Normandy beachheads, and in Germany. He received the French Croix De Guerre and four campaign battle stars.

HE PRESENTLY is a lieutenant colonel in the Active Army Reserve, and has been assigned to the Command and General Staff College at Fort MacArthur in a Reserve status for the past five years. He is a member of the Torrance board of directors of the National Red Cross and the YMCA.

### Hospitalized Tots to See Easter Bunny

Children confined in Harbor General Hospital will not be "by-hopped" by the Easter Bunny, today.

Before most of them are awake, traditional Easter baskets, containing chocolate and dyed eggs will be at each child's bed.

They are baskets contributed by the 60 members of potential Licensed Vocational Nurses in training in a course jointly taught by Harbor College and the hospital.

However, because the future LVNs were on a week's vacation, the baskets each member contributed will be distributed by other bunnies wearing pink striped uniforms—the hospital's Candy Strippers or teen-aged volunteers.

The hospital's adult "Volunteers for Children" and Redondo Salvation Army unit combined to give the children a pre-Easter party Wednesday afternoon.

### American Report Shows Savings, Loans Increase

American Savings and Loan reported its 1963 first quarter growth rate surpassed the 1962 rate. Assets of the 13-branch association increase \$28 million, while savings were \$339.5 million. Both showed increases of about 30 per cent over the first quarter figure for 1962.

### Honors Go to Gray Ladies

Three Torrance women will be honored at Harbor General Hospital Thursday in recognition of their serving the required minimum 50 hours of volunteer services.

They are Mrs. Richard D. Hines, Mrs. Allen Maxwell and Mrs. Billy Joe Waters.

Traditional "capping ceremonies" will honor them and eight other Southwest area women who serve as Red Cross Gray Ladies at the hospital.

THE CEREMONIES will be preceded by a luncheon at 12:30 in the hospital's dining room with the capping in the assembly room at 2 p.m.

Mrs. James Whitney, chairman of the Los Angeles Red

Cross Chapter, Gray Ladies Service, will officiate.

In addition, Mrs. O. C. Welbourn, chairman of all Los Angeles chapters, will present five-year pins to Mrs. William Dostater, Palos Verdes, and Mrs. Lawrence Pittelkow, Rolling Hills.

THE GRAY LADIES will be welcomed by A. L. Thomas, Harbor General Hospital administrator. Guests include Mrs. Marguerite Broen McAllister, HGH chairman of Volunteer Services, Mrs. J. Harold Anger, and Victor Davenport, San Pedro Red Cross Chapter, Col. R. H. Dear, and Clifford Hadley, Fort MacArthur, Mrs. Florence Johnston, chairman

of all Volunteers for L. A. chapters, and Mrs. Lynn Davenport, formerly Gray Ladies chairman for Los Angeles.

The "cappes": Mrs. Edward M. Cash, Mrs. Curtis Jackson, of Palos Verdes; Mrs. Donald Mallory, Rolling Hills; Mrs. Jerome B. Cummings, and Mrs. Clarence Hart, Gardena; Mrs. Richard D. Hines, Mrs. Allen Maxwell, and Mrs. Billy Joe Waters, Torrance.

Mrs. Donald Chase and Mrs. Theodore Nelson, San Pedro; Mrs. Richard C. Hiller, Manhattan Beach.

The interests of childhood and youth are the interests of mankind.
